RE: Application for a Carry Concealed Weapons Permit

Dear Mr. Thomson:

A thorough investigation has been conducted based on your application for a Carry Concealed Weapons Permit. Based on my review and investigation of your application, your request is denied. This denial is based on my determination that you have failed to prove at least one or more of legal requirements to obtain a CCW Permit: you are a person of good moral character; good cause exists for the issuance of the license; you are currently a resident of the City of Torrance; you have completed the required training course.

The Chief of Police is given the discretion for the issuance of CCW permits. This authority is outlined in the California Penal Code Section 12050(B). This decision is final and no appeal can be made.

If you have any questions regarding my decision, you may contact Lieutenant Devin Chase at (310) 618-5712 within 15 days of receipt of this letter.

Sincerely,

John J. Neu
Chief of Police

On 23 Dec 08, I reviewed the CCW Application that was completed by the above named applicant. All Paperwork appeared to be complete and in order. On 21 Jan 09, I (Det. Bargar) and Sgt. Brian O'Steen also met at the Torrance Police Department with Mr. Thomson in regards to his application.

Mr. Thomson is a resident of Torrance and currently is a Bail Agent, and owner of Caught Up Bail Bonds, in the City of Torrance. Mr. Thomson said his schedule varies, but is available 24/7, including weekends and holidays. Mr. Thomson's business is also his home address, but meets the majority of his clients away from his residence. Mr. Thomson said he has been a Bail Agent for three years.

Mr. Thomson stated he bail's people out of jail on a daily basis, some who eventually don't show up for court. Mr. Thompson said when these people are tracked down and captured against their will by him or other people licensed for fugitive recovery and under a civil contract, they are often upset with their captors. Mr. Thomson feels it is equally important to carry a weapon on his person to protect himself from retaliatory attacks by fugitives who may still hold a grudge when released from jail or prison after sentencing. Mr. Thomson also said at times he has to venture into bad neighborhood's to meet with clients and sign documents, and at times leaves these meetings with large amounts of cash that has been received to secure a bond.

Mr. Thomson feels the above listed reasons create an exigency that shows a need for the issuance of a CCW.

I (Det. Bargar) questioned Mr. Thomson about the right to carry a firearm in the course of his work duties. Mr. Thomson was clearly educated about 12031 (k) PC, which states he is only allowed to carry a firearm in the act of making or attempting to make a lawful arrest, and not before or after the arrest. Mr. Thomson also said he was aware that a firearm needed to be transported unloaded and in a locked container.

While interviewing Mr. Thomson, he said he has had one incident in a high crime area where he was going to meet a clients family, and the man who answered the door was holding a firearm, other than that he has had no serious incidents involving his safety during the course of his working duties. Mr. Thomson also stated on one occasion he needed the assistance of LASO (Norwalk) to help him affect an arrest on a violent subject who had a bail warrant. Mr. Thomson further stated that he has not been threatened, nor had any security concerns, within the Torrance Police Department's jurisdiction. Mr. Thomson also stated that he has never been assaulted or robbed during the course of his duties, nor has he ever had to file a report with any police agencies in regards to threats made against him or his family. Mr. Thomson said if he talks with a potential client or family members of a potential client, and feels there is any type of risk monetarily or safety wise, he simply refuses to take the case.

Mr. Thomson does posses a valid CCW from the state of Utah, that expires in the year 2013 (CCW #C256808, see attached) and currently owns a registered Glock Model 22, 40 caliber handgun (ser# DKL431US), and a Glock Model 27, 40 caliber handgun (ser#HGZ826) that he trains and shoots with on a routine basis. Mr. Thomson has also successfully attended and completed the California Department of Justice Handgun Safety Course (see Attached), and holds valid permits through the State Department of Consumer Affairs for his guard registration, along with a permit for an exposed firearm.

It should be noted that Mr. Thomson stated he has never been treated for any type of mental illness, nor is there any evidence of controlled substance or alcohol abuse. The Intel Unit also found no arrest history involving Mr. Thomson.

Pursuant to Torrance Police Department General Order 3.31.1 (B) (1), my investigation revealed:

- (a) The Applicant appears to be of good moral character.
- (b) The applicant has no prior convictions of a felony or any other crime that indicates moral turpitude.
- (c) I was unable to determine/identify any specific or credible threats to the applicant.
- (d) The applicant is a bona fide resident of the City of Torrance.
- (e) The applicant has successfully completed a designated course of training in the carrying, safety, and use of firearms.

While Mr. Thomson has some security concerns for his safety, all appear to be centered on his course of duties as a Bail Agent. At this time there are no specific threats directed at Mr. Thomson or his family, and it is the Intel Unit's belief that local police agencies can assist Mr. Thomson with any future problems that may arise. At this time, Mr. Thomson has no safety concerns centered geographically to the City of Torrance.

To be forwarded to the office of the Chief of Police for final consideration.

3.31.2 CONCEALED WEAPONS FOR RETIREES

- A. IDENTIFICATION CARD. Retired sworn personnel shall be issued a picture retirement identification card bearing either an authorization to carry a concealed weapon, or a clear and explicit restriction withholding the privilege, and the date the endorsement is to be renewed.
- B. CONCEALED WEAPON PERMIT. Every peace officer honorably retired from the Torrance Police Department, after January 1, 1981, who desires authority to carry a concealed firearm per Penal Code §12027(a), shall:
 1. Initially upon retirement, and before the lapse of five years thereafter, request authorization to carry a concealed weapon from the Chief of Police.
 2. During the term of the permit, report all major physical or mental conditions or illnesses to the Chief of Police as soon as practical.

Retired Officers must apply for renewal to the Office of the Chief of Police before the lapse of each five year period thereafter. Identification cards for officers retired after January 1, 1981, endorsed granting the privilege, must be renewed every five years, or the privilege of carrying a concealed weapon shall automatically lapse. The retiree shall qualify with the firearm at least annually.
 - 1. The retiree may demonstrate competency by firing on the Department Range under the supervision of the Range Master, or by submitting certified shooting scores from another police agency or public range.

 - 3. The retiree shall supply the Department with two recent photographs suitable for use on the renewed ID card.
 - 4. This section does not apply to officers who retired prior to January 1, 1981.
- D. PERMIT DENIED OR REVOKED. The Chief of Police may deny or revoke the retired officer's privilege to carry a concealed weapon upon a showing of good cause. A retired peace officer may have his privilege to carry a concealed and loaded firearm revoked or denied by violating any Departmental rule, or state or federal law that, if violated by an officer on active duty, would result in that officer's arrest, suspension, or removal from the agency. A retired officer whose authorization to carry a concealed weapon is revoked or denied has the right to a hearing as specified in Penal Code §12027.1.
 - 1. A retired officer shall have 15 days to respond to a notice of that hearing or, upon failing to respond to the notice, forfeits the retired officer's right to that hearing.

CHIEF OF POLICE

California Department of Justice

STANDARD APPLICATION FOR LICENSE TO CARRY A CONCEALED WEAPON (CCW)

California Department of Justice
STANDARD APPLICATION
for
LICENSE TO CARRY A CONCEALED WEAPON (CCW)

Authority

California Penal Code (PC) sections 12050 through 12054 provide that a sheriff of a county or the chief or other head of a municipal police department of any city or city and county may issue a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (CCW license). PC section 12051(a)(3)(A) requires the Attorney General to prescribe a statewide standard application form for a CCW license.

Who May Be Issued a License

The licensing authority specified in PC section 12050(a)(1) (a sheriff or head of a municipal police department) may issue a license to persons who are of good moral character, who have completed a course of training, and where good cause exists for issuance of the CCW license. All applications for a CCW will be fingerprinted and state records will be checked to determine if they are in a prohibiting class. Attachments 1, 2, and 3 (following page 14 of this application) list all categories that would cause a person to be in a class prohibiting them from possessing firearms and being granted a CCW license. These attachments are updated annually to reflect new legislation and other changes in the law.

Format of CCW License

A CCW license may be issued in either of the following formats:

1. A license to carry concealed, a pistol, revolver, or other firearm capable of being concealed upon the person.
2. Where the population of the county is less than 200,000 persons according to the most recent federal decennial census, a license to carry loaded and exposed in that county a pistol, revolver, or other firearm capable of being concealed upon the person

Training Required

PC section 12050(a)(1)(B) and (E) specifies that new license applicants must complete a course of training. The training may consist of any course acceptable to the licensing authority. The licensing authority may require either a course not to exceed 16 hours which includes instruction on at least firearms safety and the law regarding the permissible use of a firearm or a community college course not to exceed 24 hours certified by the Commission on Peace Officer Standards and Training. If the licensing authority requires the community college course, it must be uniformly required for all CCW license applicants. The licensing authority may also require annual qualification on the weapon(s) during the term for which the CCW license is granted.

For license renewal applicants, the course of training may be any course acceptable to the licensing authority, shall be no less than four hours in length, and shall include instruction on at least firearm safety and the law regarding permissible use of a firearm

State of California, Department of Justice
Standard Application for CCW License

Psychological Testing

In addition to licensing requirements as specified by the licensing authority, jurisdictions may require psychological testing on the initial application. If required, the applicant shall be referred to a licensed psychologist used by the licensing authority for the psychological testing of its own employees. Any fees charged will be the responsibility of the applicant and such fees shall not exceed \$150.00 for an initial test. Additional psychological testing of an applicant seeking license renewal shall be required only if there is compelling evidence to indicate that a test is necessary (PC section 12054(c)).

Completing the Application

Answering all the questions on this standard application does not guarantee the issuance of a CCW license. The determination whether or not to issue the license is the prerogative of the licensing authority. Each licensing authority, in addition to using the state standard application form, will have a written policy summarizing what they require pursuant to PC section 12050(1)(A) and (B). Prior to issuing a CCW, the statutes require proof that:

- The applicant is of good moral character,
- Good cause exists to issue the CCW license,
- The applicant meets residence requirements, and
- The course of training prescribed by the licensing authority has been completed.

The application on the following pages sets forth standardized questions to be used by the CCW licensing authority to determine whether a CCW license shall be issued. The applicant shall not be required to complete any additional application or form for a CCW license, or to provide any information other than that necessary to complete this standard application form except to clarify or interpret information provided herein (PC section 12051(a)(3)(C)).

The applicant will certify that all answers provided are true and correct to the best of their knowledge and belief under penalty of perjury. The applicant will also acknowledge that information disclosed on this application may be subject to public disclosure.

Important Instructions

- Fill out, read, and sign Sections 1 through 5, as directed. Use additional pages if more space is required.
- Sections 6, 7, and 8 must be completed in the presence of an official of the licensing agency.
- Review Section 7 and be prepared to answer these questions orally. Do not write anything in Section 7 unless specifically directed to do so by the licensing agency.

Section 4 – CCW License Conditions and Restrictions

The licensee is responsible for all liability for, injury to, or death of any person, or damage to any property which may result through any act or omission of either the licensee or the agency that issued the license. In the event any claim, suit, or action is brought against the agency that issued the license, its chief officer or any of its employees, by reason of, or in connection with any such act or omission, the licensee shall defend, indemnify, and hold harmless the agency that issued the license, its chief officer or any of its employees from such claim, suit, or action.

The licensee authorizes the licensing agency to investigate, as they deem necessary, the licensee's record and character to ascertain any and all information which may concern his/her qualifications and justification to be issued a license to carry a concealed weapon and release said agency of any and all liability arising out of such investigation.

While exercising the privileges granted to the licensee under the terms of this license, the licensee shall not, when carrying a concealed weapon:

- Consume any alcoholic beverage.
- Be in a place having a primary purpose of dispensing alcoholic beverages for on-site consumption.
- Be under the influence of any medication or drug, whether prescribed or not.
- Refuse to show the license or surrender the concealed weapon to any peace officer upon demand.
- Impede any peace officer in the performance of his/her duties.
- Present himself/herself as a peace officer to any person unless he/she is, in fact, a peace officer as defined by California law.
- Unjustifiably display a concealed weapon.
- Carry a concealed weapon not listed on the permit.
- Carry a concealed weapon at times or circumstances other than those specified in the permit.

Pursuant to U.S. Government Code – Title 49, Chapter 26, Section 1472(1) and Federal Aviation Regulation 121.583, a license to carry a concealed weapon does not authorize a person to carry a firearm, tear gas, or any dangerous weapon aboard commercial airlines. Further, a person must declare that he/she is carrying such firearm, tear gas, or dangerous weapon BEFORE entering the boarding area of an air terminal where the security checks are made. Such violation can result in arrest by law enforcement.

Any violation of these restrictions or conditions may invalidate the CCW license and may void any further use of the license until reinstated by the licensing authority. Any arrest for a felony or serious misdemeanor, including driving under the influence of alcohol and/or drugs, is cause for invalidating the license.

Standard Application for CCW License

Section 6 – Agreement to Restrictions and to Hold Harmless

I accept and assume all responsibility and liability for, injury to, or death of any person, or damage to any property which may result through any act or omission of either the licensee or the agency that issued the license. In the event any claim, suit or action is brought against the agency that issued the license, its chief officer or any of its employees, by reason of, or in connection with any such act or omission, the licensee shall defend, indemnify, and hold harmless the agency that issued the license, its chief officer or any of its employees from such claim, suit, or action.

I understand that the acceptance of my application by the licensing authority does not guarantee the issuance of a license and that fees and costs are not refundable if denied. I further understand that if my application is approved and I am issued a license to carry a concealed weapon, that the license is subject to restrictions placed upon it and that misuse of the license will cause an automatic revocation and possible arrest and that the license may also be suspended or revoked at the discretion of the licensing authority at any time. I am aware that any use of a firearm may bring criminal action or civil liability against me.

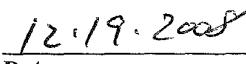

I have read, understand, and agree to the CCW license liability clauses, conditions, and restrictions stated in this Application and Agreement to Restrictions and to Hold Harmless.

I have read and understand the applicable Penal Code sections regarding False Statements on a CCW Application, Manslaughter, Killing in Defense of Self or Property, Limitation on Self-defense and Defense of Property, and Child Access and Firearm Storage, stated in this application.

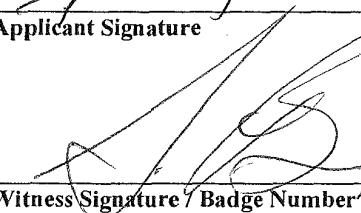

I have read and understand Attachment 1 – California Prohibiting Categories for a CCW License, Attachment 2 – California Prohibiting Misdemeanors, and Attachment 3 – Federal Prohibiting Categories for Possessing Firearms. I further acknowledge that these Prohibiting Categories can be amended or expanded by state or federal legislative or regulatory bodies and that any such amendment or expansion may affect my eligibility to hold a CCW.

GOOD CAUSE STATEMENT

I'm a bail agent, I bail people out of jail on a daily basis, some of whom don't show up for court. When these people are tracked down and captured against their will by myself or other people licensed for fugitive recovery and under a civil contract, they are sometimes upset with their captors. For this reason, I feel that it is equally important to carry a weapon on my person to protect myself from retaliatory attacks by fugitives who still hold a grudge when released from jail or prison after sentencing. I sometimes have to go to bad neighborhood's to meet with clients and sign documents and I sometimes carry a lot of cash that clients pay 2,500.00 to 12,000.00.

1. I carry bail bonds over 1.6 million dollars in live bonds from 7,500.00 to 250,000.00 each bond total over 1.6 mil

This creates an exigency that shows that I need a CCW more than some regular Joe off of the street. I want to have it to protect myself and my family. I work out of my house as my office so I meet clients at their home or at an establishment (fast food, Star Bucks, home).

penal code 12031(k) states " nothing in this section is intended to preclude the carrying a loaded firearm by any person while engaged in the act of making or attempting to make a lawful arrest" as a bail agent or bail recovery person, they may carry the loaded firearm only during the arrest itself, not before or after the arrest, need to be transported unloaded in and locked container. RE: Application for a Carry Concealed Weapons Permit

Dear Mr. Thomson:

A thorough investigation has been conducted based on your application for a Carry Concealed Weapons Permit. Based on my review and investigation of your application, your request is denied. This denial is based on my determination that you have failed to prove at least one or more of legal requirements to obtain a CCW Permit: you are a person of good moral character; good cause exists for the issuance of the license; you are currently a resident of the City of Torrance; you have completed the required training course.

The Chief of Police is given the discretion for the issuance of CCW permits. This authority is outlined in the California Penal Code Section 12050(B). This decision is final and no appeal can be made.

If you have any questions regarding my decision, you may contact Lieutenant Devin Chase at (310) 618-5712 within 15 days of receipt of this letter.

Sincerely,

The handwritten signature of John J. Neu, Chief of Police.
